"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b

Popcorn with hot sauce

A Christian couple in Guerrero, Mexico (geh-REH-roh) likes to spend a lot of time with their friend, C, and his family. The couple took cake and popcorn to their friend's house one day, and C put hot sauce on the popcorn! Do you remember praying for the Tibetans who like chili sauce on their pancakes? We need to introduce C to the Tibetan people!

Another time C's family served beans with pig's feet. Christian workers in other countries really have to learn to like different kinds of food.

Whenever the Christian couple spends time with C and his family, they tell a Bible story. These families are really good friends. The Christians would love to see their friends accept Jesus. Pray for C—pray that he will accept Jesus and that he will tell others that Jesus loves them too.
