*"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b*

### **When you grow up**

An 8-year-old boy was sitting on the bed beside his dad. They live in South Asia. The boy is crazy about wild animals. He and his younger brother like to pretend they are on some wild safari adventure. Sometimes they pretend the wild animals jump out at them. Sometimes they pretend they ARE the wild animal.

That night when dad and the 8-year-old were sitting on the bed, dad asked "What do you think you might like to be when you grow up?" He figured his son wanted to be a lion or tiger, but he was surprised by his little boy's answer.

The little boy said, "I think I want to have a house church. And maybe something else too, because there are still lots of other days left in the week." He wants to tell others about Jesus and teach them that they can have a church even without a big building. You can have church in a house.

That dad is really happy about what his son wants to do. Please pray for this 8-year-old boy that he will one day grow up to start and lead a house churches. Ask God what He wants you to do when you grow up.
