*"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b*

### **Courage and heart**

PH visited Cow Bee Village and got really sad. The children were wearing ragged clothes and didn't have much to eat. PH prayed for the children of Cow Bee and started saving his money. When people gave PH money, he saved it. He even picked out some of his own clothes for them—he didn't keep much for himself. PH and his father went to visit again. PH was SO excited! He was going to teach the children about Jesus!

Cow Bee Village is way up on a mountain. They walked on narrow paths for a long distance. One time PH slipped and fell down the mountain. He said, "I almost died, but God protected me."

Praise God for this courageous 12-year-old who is willing to go tell others about Jesus. Pray that more children will want to tell others. Ask God to protect PH and other children when they travel into difficult places. Pray for people of Cow Bee Village that they will listen closely to the stories of Jesus and will soon have a church.
