"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b

CELEBRATING A BIRTHDAY

N comes from a large Obie (oh-BEE) family. The Obie people are an East Asian people group. She has many sisters but only two brothers. Her father looked down on the girls. When N was born, her father was very disappointed that he had another daughter. No one even recorded N's birth date. Growing up, she never celebrated her birthday—no one even mentioned it.

The Lord knows N's birthday and Psalm 139:15-16 tells us that He knew her even before she was born. "My frame was not hidden from you when I was made in the secret place when I was woven together in the depths of the earth, your eyes saw my unformed body."

Praise God that He knows N and understands how she feels. Pray that N will know that God loves her very much. Pray for her to follow Jesus and share Him with the rest of her family. THEN she can celebrate her new-birth-day!

John 3:7 "You should not be surprised at my saying, 'You must be born again.'"
