"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b

MOVING TO A NEW PLACE

I live in a city of 3 million people with my mom and dad. It is a beautiful port city made up of Germans, Turks, Afghans, and many other ethnic groups. My family has only lived here for 3 months. Mom and dad go to language school every day. Please pray for them as they learn the language.

I've been sick several times since we've been here and would really like prayer for my health.

We just moved into our new apartment. Will you pray that we quickly get to know people and families in our new community? Ask God to help us tell them stories of love and hope and truth that come from the Bible. Pray for the people in my new city to become worshipers of God. CARSON, age 1* (European peoples)

*yes, Carson's mom wrote this for him☺
