*"Let the little children come to Me, and don't stop them, because the kingdom of God belongs to such as these," Luke 18:16b*

### **SCHOOL IN AUSTRIA**

My name is Tom and I am 4 years old. In Austria, kids get to go to Kindergarten for three years and I am now in my second year of Kindergarten. Something I would like for you to pray for for me is that the three boys I play with the most at school like to fight a lot. They encourage me to fight as well and I know I shouldn't do it. My friend's names are AL (Iranian), CR (Slovakian) and KR (Austrian). Could you please pray for them?

Also, I have to go to public Austrian school in the future and I need to be able to speak really good German. Since 75% of the kids at my Kindergarten are also learning German, it is sometimes hard to even speak good German with the kids in my class. Could you please pray that I can find a good friend whose family speaks German at home? All the kids who live in my apartment building are Russian and their German is not perfect either.

Please also pray for my 9-year-old brother, John. He has to go to a new school next year and none of his friends are going there. TOM, age 4 (European peoples)
